## ABOUT US

**Barelit**, established in 2007, is a trading and manufacturing company specializing in the development and production of **high-quality equipment and materials for lamination**. Our solutions are widely used in the production of window and door profiles, windowsills, panels, and other products made from PVC, aluminum and MDF.

**Barelit's product portfolio can be classified under the following categories:**

- Lamination machines for PVC, MDF, and Aluminum profiles;
- Decorative PVC foils for windowsills;
- RENOLIT PVC foils for window profiles (exterior) and windowsills;
- Protective tapes;
- Adhesives for lamination, packaging and hygiene industries;
- Water-based adhesives;
- Pressure rollers and spare parts for equipment;
- Metal racks;
- Decorative acoustic panels;
- Scratch-resistant premium-class windowsills.

In addition to manufacturing, Barelit provides **technical support** and offers **favorable conditions for long-term partnerships**.

In all areas of our business, we are guided by the principles of **honesty, responsibility, and respect** toward our clients and partners. We are committed to building long-term cooperation by offering high-quality products, a personalized approach and comprehensive technical support at every stage of collaboration.

**Our mission** is to build stable and trustworthy relationships with our clients, based on innovation, professionalism, and outstanding service.

## METAL RACK ON WHEELS

**BARRACK Cantilever Racks** are mobile storage systems consisting of cantilever elements mounted on wheels. They are designed for storing various materials and items, ensuring maximum space efficiency and ease of movement around the facility.

**Key advantages of the racks:**

- Width flexibility – the design allows for adjusting the dimensions according to production requirements and the size of the stored items.
- Mobility – ease of moving racks within the facility.
- Compactness – the folding design allows for space-saving when not in use.
- Reliability and durability – strong materials ensure load-bearing stability.

The racks easily fold and take up minimal space, significantly optimizing warehouse and production area space. The wide variety of racks allows for selecting the optimal configuration depending on the dimensions and characteristics of the stored materials.

**Main areas of application:**

- Furniture and door production
- Painting industry
- Glass manufacturing
- Other industries requiring the storage of various length objects.

## BAR 10X – METAL RACK ON WHEELS

Bar length	: 750 mm
Width range	: 300 - 1300 mm
Height between bars	: 115 mm
Number of bars	: 10
Max load capacity	: 60 kg per level
Rack weight	: 65 kg
Dimensions (L x H)	: 850 x 1800 mm

## BAR 20X – METAL RACK ON WHEELS

Bar length	: 700 mm
Width range	: 300 - 1300 mm
Height between bars	: 115 mm
Number of bars	: 20
Max load capacity	: 60 kg per level
Rack weight	: 100 kg
Dimensions (L x H)	: 850 x 1800 mm

## BAR 10XX – METAL RACK ON WHEELS

Bar length	: 750 mm
Width range	: 600 - 2600 mm
Height between bars	: 115 mm
Number of bars	: 10
Max load capacity	: 60 kg per level
Rack weight	: 90 kg
Dimensions (L x H)	: 850 x 1800 mm

## BAR 20XX – METAL RACK ON WHEELS

Bar length	: 750 mm
Width range	: 400 - 2600 mm
Height between bars	: 115 mm
Number of bars	: 20
Max load capacity	: 60 kg per level
Rack weight	: 145 kg
Dimensions (L x H)	: 850 x 1800 mm

## BAR 10W – METAL RACK ON WHEELS

Bar length	: 750 mm
Width range	: 400 - 2600 mm
Height between bars	: 115 mm
Number of bars	: 10
Max load capacity	: 60 kg per level
Rack weight	: 73 kg
Dimensions (L x H)	: 850 x 1800 mm

## BAR 20W – METAL RACK ON WHEELS

Bar length	: 750 mm
Width range	: 400 - 2600 mm
Height between bars	: 115 mm
Number of bars	: 20
Max load capacity	: 60 kg per level
Rack weight	: 107 kg
Dimensions (L x H)	: 850 x 1800 mm

## BAR 30 – METAL RACK ON WHEELS

Bar length	: 500 mm
Width range	: 300 / 600 mm
Height between bars	: 90 mm
Number of bars	: 30
Max load capacity	: 25 kg per level
Rack weight	: 30 kg
Dimensions (L x H)	: 1100 x 2000 mm

## BAR 30XL – METAL RACK ON WHEELS

Bar length	: 500 mm
Width range	: 300/600/900 mm ; 600/1200/1800 mm
Height between bars	: 90 mm
Number of bars	: 30
Max load capacity	: 25 kg per level
Rack weight	: 60 kg
Dimensions (L x H)	: 1100 x 2000 mm
